Jammu Bulletin News
Jammu, Jul 28:

BJP National General Secretary Tarun Chugh today hailed prime minister Narendra Modi's new initiative, Operation Mahadev" to pin down the Pakistan sponsored terrorists.Chugh saluted the Indian Army, CRPF, and J&K Police for the success of Operation Mahadev near Mahadev Peak in Srinagar which resulted in the elimination of three foreign terrorists, reportedly including the mastermind behind the Pahalgam attack.

Chugh emphasized that this is not a one-off action but part of the Modi Government's decisive anti-terror doctrine — in which Pakistan ISI has been a key factor.He went on to highlight Operation Sindoor, which delivered precision strikes on nine terror launchpads deep inside Pakistan and Pakistan occupied Jammu & Kashmir. These camps belonged to Lashkar e Taiba, Jaish e Mohammed, and Hizbul Mujahideen. Over 100 terrorists were neutralized, proving India's strategic superiority.

Speaking on the ongoing discussion over Operation Sindoor in Parliament and controversial remarks made by opposition leaders Chugh Said "Instead of backing our forces, senior Congress leaders like P. Chidambaram and Gaurav Gogoi started raising doubts about the Pahalgam attack. They questioned whether the terrorists were even from Pakistan, casually calling them "homegrown" and demanding proof, as if the Army, intelligence agencies, and the victims' families needed a certificate from Congress." Tarun Chugh hit out at these remarks, saying Congress leaders today sound less like the opposition and more like spokesperson and blue eyed boys of the Pakistani Army.

Chugh said the era of impunity in Jammu & Kashmir is over. He reaffirmed that the government will continue dismantling separatist and terror networks with full force.He saluted the valor of Indian security forces and reiterated that protecting sacred spaces like Shri Harmandir Sahib, Vaishno Devi, and the Amarnath Yatra remains the Modi Government's top priority.Operation Mahadev is a clear message to any terror sponsor: "We don't negotiate.
